

Identify trees, shrubs and wild flowers of the Kalahari and Karoo with these two new, weatherproof field guides!

50 Trees, Shrubs & Aloes of the Kalahari and Eastern Karoo

by Tania Anderson (Illustrated by Jill Adams & Maggie Newman). ISBN 978-0-620-51526-9.

50 Wild Flowers of the Kalahari and Eastern Karoo

by Tania Anderson (Illustrated by Jill Adams). NATURE WORKS. ISBN 978-0-620-51546-7.

These guides cover the central region of South Africa and fill the gap left by the long out-of-print wild flowers of the Northern Cape book. With clear illustrations for easy identification, English, Afrikaans, Setswana and Latin names, habitat, flowering time, conservation status and other diagnostic characteristics. These weatherproof guides fold to a handy pocket size for the field, and are 60 cm wide when fully opened and 21 cm in height.

Cost price: R40.00 or R75.00 per set.
A discount of 10% for orders of more than 20 guides or 20 sets.
Postage costs excluded.
